Dear Friend:

Every student deserves the chance to go to college or receive vocational training. It is part of the California dream and Cal Grants help make it possible.

Paying for college is extremely difficult, especially in these challenging economic times. That's why the state of California is once again offering financial aid to students who need it.

Cal Grant is a need-based grant program that has helped make college affordable for many families. Qualified students can get up to \$9,708.00 a year, depending on economic need, grades and the college they attend.

To learn more about Cal Grants and how to apply, please consider attending one of the upcoming workshops in the San Fernando Valley. For more information, go online to www.adc.asm.ca.gov/yw.
